OUR SERVICES

Services Built Around You

EQUITY ADVISORY

Research-Driven Advisory

Actionable buy and sell guidance on equities, backed entirely by the in-depth research desk of Motilal Oswal.

IMP

FEATURED

Investment Management

End-to-end management of your investments — we build, monitor and rebalance your portfolio so capital stays aligned with your goals.

PMS

Portfolio Management

Professionally managed, customised equity portfolios handled by experts on your behalf for long-term wealth creation.

SLBM

NEW

Stock Lending & Borrowing

Lend idle shares to earn extra income, or borrow stock to act on opportunities — a regulated, transparent mechanism, newly incorporated.

MTF

Marginal Trading Facility

Take larger positions by paying only a margin while we fund the balance, amplifying your buying power in the market.

DAILY TRADING

Intra-day & Delivery

Execution support for both intra-day and delivery trades, helping you act on short-term moves and build long-term holdings.
